Purpose and goals

1. The purpose of this group is to collaboratively work towards sharing knowledge and supporting each other's learning objectives. Our goals are to improve understanding of the material and prepare for projects.

Attendance and punctuality

- Members are expected to attend at least 3 days of the 5 days at school. (prefer all days)
- If a member cannot attend, they must notify the group with a valid reason
- If late send a message at all times in teams or Whatsapp.
- If you are not planning to come in, then notify the group a day before.
- If you work from home, do a stand up and stand down what you are planning to do and what you actually did.
- We have agreed to start our day at 9:30 in the morning, if you are early it is fine if you are late tell each other

Communication

- Preferred communication: Whatsapp
- Members will check communication and will respond even an emoji is already enough

Participation and contribution

- All members are expected to actively participate and contribute to discussions and tasks
- Disagreements should be handled respectfully and resolved through discussion

Consequences for breaking the contract

in the event of a member breaking the contract, they agree to buy food or coffee for the group.
